DETAILED ACTION

Notice of References Cited

The attached PTO-892 should have been included with a prior Office Action (mailed 2/4/2004). It appears to be missing in the IFW format of this application. Therefore, in order for the references to be included on the issued patent, a copy is included with this action, however, no copies of the references are being provided.

Reasons for Allowance

Claims 1, 2, 5-17, 34, 35, 38-43, and 49 are allowed.

The following is an examiner's statement of reasons for allowance:

The After Final Amendment filed 10/29/2004 places the application in condition for allowance. All rejected claims have been canceled and claim 49, previously indicated as containing allowable subject matter (see Office Action mailed 9/2/2004), has been amended to include the limitations of the independent claim and intervening dependent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

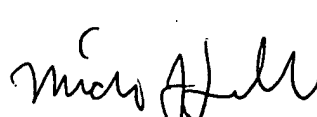

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric M Gibson whose telephone number is (703) 306-4545. The examiner can normally be reached on M-F.
